

International Electrotechnical Commission IEC Affiliate Country Programme Pledge

The Azerbaijan Standardization Institute (AZSTAND), located in Baku, wishes to renew Azerbaijan's commitment in 2011 to participate in the IEC Affiliate Country Programme and, in doing so, pledges to:

- Use IEC International Standards to the fullest extent possible;
- Identify IEC technical work relevant to its country's current and future needs;
- Contribute to the relevant technical work where possible and
- Participate fully in the IEC Affiliate Country Forum.
